Career Objective

To contribute to an innovative organization where I can apply and expand my web development skills, continuously learn, and grow professionally while actively supporting the company's goals.

Programming Skills

Expertise : Tailwindcss, JavaScript, TypeScript, Reactjs, Nextjs, Nodejs, Express, MongoDB
Comfortable : Material UI, JWT, REST API, Context API, AWS S3, Redux
Tools : Git, Chrome Dev Tool, VSCode, Netlify, Firebase, Heroku, Linux

Experience

Docsup Private Limited, Delhi, India

Full Stack Developer Internship, April 2022–May 2022

I joined Docsup as an intern and worked with them for a month. My task was given by my mentor daily and I had to finish it on flexible time. It was a great experience to work with them.

- Mainly worked in the backend to implement CRUD operation on MongoDB model and S3.
 - Also worked on Next.js and Node.js authentication with JWT.
-

Education

United International University

B.Sc. in Computer Science and Engineering

Expected Graduation: June 2028

Projects

Homeservice (Service Related Website): [|Live Site|](#) [|Client-Code|](#) [|Server-Code|](#)
